

CALL FOR PAPERS

18th NCB International Conference and Exhibition on Cement, Concrete & Building Materials

Yashobhoomi, IICC Dwarka, New Delhi, 27-29 November 2024

“Cementing the Net Zero Future”

National Council for Cement and Building Materials (NCB) is organizing the 18th edition of its International Conference & Exhibition on Cement, Concrete and Building Materials from 27 – 29 November 2024 at Yashobhoomi, IICC Dwarka, New Delhi, India. The theme of the conference is “Cementing the Net Zero Future”.

Technical papers are invited from cement professionals, concrete technologists, academicians, researchers, students etc. on conference technical themes for presenting and highlighting your research works before the international and national cement & construction community.

Conference Technical Themes	
Low Carbon Cement	Performance and Durability of Concrete
Carbon Capture, Utilization and Storage (CCU&S)	Performance-based Design of Concrete Structures
Alternate / Waste Fuels and Raw Materials	Energy Conservation in Cement Plants & CPP
Cement Plant Machinery and Project Engineering	Environmental Management, Sustainable Development and Safety
Productivity Enhancement and Process Optimization	Distress Investigation, Repair / Strengthening / Retrofitting of Concrete Structures
Concrete Deterioration Mechanisms and Reinforcement Corrosion	Latest Innovation Trends
Sustainable Construction Practices and Use of Alternate Aggregates & Geopolymer Concrete	Application of AI/ML
Other Building Materials and Binders	Marketing and Consumer Protection

During the conference, it is proposed to have “oral presentation of approximately 120 papers” and “poster presentation of approximately 50 papers”. The papers for oral presentation/poster presentation will be selected based upon the merit as well as the recommendations given by the Technical Committee.

Last date of Paper Submission: 30th June 2024

Paper Submission guidelines: <https://ncbindia.com/conference.php>

Paper Review by: NCB Technical Committee

Submission of papers: Email: papers@ncbindia.com or on NCB Conference App

For further details: Shri P N Ojha, Joint Director and Incharge – Technical Committee, NCB (Mob No. +91-9871155118).

The best paper in each technical session will be awarded during the conference. In addition, NCB has also tied up with some of the reputed journals/magazines, therefore based upon merits of submitted paper, author/ co-authors of selected papers will get a chance to published their research works in those Scopus index journals and reputed magazines.
